Highly Effective (396 - 440) - The teacher demonstrates the listed functions and other actions that are above and beyond stated expectations. Teachers that perform at this level should exceed goals and targets established. A Highly Effective rating means that the only areas for growth would be to further expand on the strengths and find innovative ways to apply it to the benefit of the school and the district. Specific comments are required for rating a standard as Highly Effective. A Highly Effective rating means that performance is excellent. The employer is a top performer in all domains.

Effective (330 - 395) - The teacher demonstrates the listed functions most of the time. Performance in this area is satisfactory and similar to that of others regarded as good performers. The indicator of performance delivered when rating one as Effective is that performance is very good. There are areas remaining that require improvement to be considered an excellent performer in all areas.

A "Not Effective" rating indicates that performance is unsatisfactory and the teacher requires significant improvement. Specific comments (i.e., evidence, explanation) are required when rating a stand Not Effective. The teacher should be placed on an Improvement Plan.
